REVIEW REPORT

To The Owners: Condominium Corporation No. 961 2304
(Operating as Riverside RV Village)

I have reviewed the statement of financial position of Condominium Corporation No. 961 2304 operating as Riverside RV Village as at December 31, 2014 and the statements of operations, net assets and cash flows for the year then ended. My review was made in accordance with Canadian generally accepted standards for review engagements and accordingly consisted primarily of enquiry, analytical procedures and discussion related to information supplied to me by the company.

A review does not constitute an audit and consequently I do not express an audit opinion on these financial statements.

Based on my review, nothing has come to my attention that causes me to believe that these financial statements are not, in all material respects, in accordance with Canadian accounting standards for private enterprises.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2014

1. PURPOSE AND OPERATIONS OF THE CORPORATION

The purpose of the corporation is to manage the common property and to maintain and provide common services for the benefit of all owners in the condominium project comprised of 204 units, known as Riverside RV Village, located in Sundre, Alberta.

(c) Financial Instruments

The corporation's financial instruments consist of cash, accounts receivable and accounts payable. It is the opinion of the company that it is not exposed to significant interest, currency or credit risks arising from these financial instruments. The corporation is additionally of the opinion that their fair value of the long term debt payable approximates its carry value.

(d) Measurement Uncertainty

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Actual results could differ from these estimates

(e) Fund Accounting

The corporation follows the restricted fund method of accounting for its activities. The operating fund is responsible for the corporation's operating and administrative activities. The reserve fund is responsible for replacements of the common area assets.

It is the policy of the corporation that interest earned on funds held for the reserve fund be allocated to the reserve fund in the year earned.
