

# HAPPY HALLOWEEN

Happy Halloween from Riverside RV Village

## Update from The Board of Directors

We hope you have all continued to enjoy the fabulous fall weather. Alas it will soon be coming to an end. Winter contracts for security and cleaning etc. are in effect at Riverside RV Village as of Nov. 1, 2015. The three gentlemen who cleared our roads of snow last year have agreed to provide us this service again this winter. A great big thank you to them. Hopefully Mother Nature will be kind to them and us. The front gate will be open daily from 8:00 to 5:00, but you will otherwise need your gate opener. Sewer plugs have now been installed and we ask that you no longer use the sewer system until further notice in the spring. Fresh water can be obtained in the front laundry room and from the outside tap at the front washroom facility. Please use washrooms to empty porta-potties and ONLY designated taps in the washrooms to clean them.

Sales - Year round, Riverside RV Village receives many requests from potential buyers and renters for information related to sales and rentals within the park. A web page has been created in response to those requests. Some of the properties and trailers are listed with a professional realtor and some are FSBO (for sale by owner). To read more, go to our web site as follows: <http://riversidervillage.com>, scroll down and click the For Sale icon.

WiFi-The Wifi network project of 2015 is now in the "production" stage. All instability issues have been resolved. Do you have slow network access at your Lot? We can enhance your connection. To read more, go to our web site as follows: <http://riversidervillage.com>, scroll down and click the WiFi icon.

Don't forget that the burn pile will be lit on New Year's Eve day in the afternoon. More info. to follow closer to the date.
