

*The Board of Directors of Riverside RV Village  
Wishes you a  
Happy and Joyous Holiday Season!*

### **New Year's**

All Residents are invited to join in some New Year's Eve festivities at Riverside. The fun will begin with the lighting of the burn pile at 12:00 noon on December 31st. The clubhouse will be opened early for those who would like to get together for games etc. Evening activities will begin around 8:00 pm. Music will be provided. A stove, oven and microwave will be available. Plan on food for around 6 people if you are bringing food to share. The hope is to have heated porta-potties available. Clean-up will be the next day at 12:00 noon and help for the clean-up crew would be appreciated.

---

## WiFi Password Update

In a recent audit, we have discovered non-residents connecting to our WiFi network from outside our park boundary.

In the early hours of Tuesday, December 15, 2015 we will be changing the WiFi password. The new password is available by contacting [riverrv@telus.net](mailto:riverrv@telus.net).

We will not be posting this information anywhere in the park (washrooms, etc). Please make note of the new password and the date of the change.

**Thermostats:** if you have a wireless thermostat, you will need to change it on or after Dec 15th. The Network Administrator can change the thermostat if you provide access to your trailer. Contact = [gary.coombe@mac.com](mailto:gary.coombe@mac.com) or 403-619-7604.

**TP-Link (small white) Routers:** if you have purchased a TP-Link to enhance the signal at your lot, it will be changed at the same time. You must make sure it is powered on.

**Other Devices (DVD Players, Smart-TVs, AppleTV, etc):** you will need to change those devices on or after Dec 15th.

If you have any questions, let us know.
