

Merry Christmas and a Happy New Year

We hope you have all been enjoying this mild winter we are experiencing. If it holds the holidays may be a nice time to visit the park and check out your unit. Just a small reminder that condo fees are due January 31, 2019. By now everyone should have received their condo fee notice.

The Board of Directors would like to wish you a very **Merry Christmas** and a **New Year** filled with health, prosperity and happiness.
