

Water Update Riverside RV

Here is the message you've all been waiting for! **The water is on in all loops!** The repair to the line has been completed. A new break was discovered a ways beyond what was repaired last year. Please watch for equipment until the contractors can remove it from the park. Thank you all for your support and patience over what turned out to be a very trying spring.

Upcoming Events

June 8th - Work Party - Meet at 10:00 at the front facility if you are able to help clear space for the front maintenance shed.

June 15th - Pancake Breakfast - Clubhouse

July 5th - Work Party - To begin construction of the front maintenance shed - Details TBA
