

Riverside RV Village

Follow up to the AGM

During the AGM one of our owners mentioned they had difficulty locating the 2018 Financials or the Reserve Fund Study on the website. Both documents are posted and can be accessed as follows:

Go to the website: www.riversidervillage.com

1. 2018 Financials - from the home page select the AGM tab along the top tool bar. The financials are posted there.
2. Reserve Fund Study 2017 - from the home page select the Downloads tab along the top tool bar. The study is posted there.
