

Park Update April 19, 2020

In March the Board shared a letter from the Town of Sundre with a plea for residents in Riverside to remain at home in their primary residences. We have received a second letter of clarification from them which can be seen below. At this time very little has changed. The front facilities remain closed. There is no water available and the sewers are not open to be used. Owners are asked to remain at home. Be assured that the Board will be very diligent in keeping everyone aware of any changes as they happen. Hopefully the landscape of COVID 19 will soon change for the better in our province.

Dear Board of Directors, Sundre Riverside RV Village,

The Town of Sundre Emergency Management Agency would like to request your assistance in contacting the lot owners in your village and providing them with the enclosed letter.

It is extremely important that we, everyone in Sundre, do all we can to protect our residents, the public, our emergency personnel and service workers during the COVID-19 Pandemic. Enclosed is a letter from our Mayor and the County Reeve requesting that visitors postpone their visits to our community until the threats of COVID-19 are controlled.

We are asking that anyone with a Canadian residence other than the one in your village to please stay home and remain at their other residence until this pandemic ends or is otherwise controlled. We do understand that there may be some lot owners that are "Snow Birds" and your village is their only Canadian residence. They are not included in this request.

An electronic copy of the enclosed letter is available if you need from the Town Office at 403-638-3551 or email at townmail@sundre.com

We thank you for your assistance and understanding.

If you have any questions regarding this matter, please do not hesitate to contact me in my office at 403-638-4707 ext 209.

Sincerely,

Kevin Heerema
Director of Emergency Management
