Riverside RV Village News

This has been a very unusual spring - one not ever experienced by any of us before. Let us begin by saying that the hope is that everyone is staying safe from the effects of COVID 19 and that we will soon be able to enjoy our park. That being said, there are a few updates the Board of Directors would like to share with owners.

Communication

From this date, going forward, official park communication will be conducted through email. It will be more important than ever for owners to keep the Board informed of contact information updates in order to receive official park communication and to keep abreast of current information.

Our first official business regards our scheduled Annual General Meeting. Please refer to the document below.

Preliminary Notice of the 2020 Annual General Meeting

Notice is hereby given that the Annual General Meeting of the unit owners of:

**THE OWNERS: CONDOMINIUM CORPORATION 9612304
Commonly known as "Riverside RV Village"
Sundre, Alberta**

Has been scheduled for:

Date: Saturday, June 6, 2020 at 1:00 p.m.

Location: Riverside RV Village Clubhouse

Please Note: Due to the COVID 19 pandemic the Board may have to make the decision to postpone the AGM. This decision will be based on directions being given by public health authorities closer to the scheduled AGM date.

If any unit owner wishes to propose an agenda item, a statement of the proposed item may be submitted to the Board of Directors by email at: riverrv@telus.net or by mail to Riverside RV Village, PO box 1689, Sundre, AB T0M 1X0, before May 6, 2020.

The statement must provide sufficient detail and clarity for the purposes of a vote by owners and any other information necessary to effectively consider the proposed agenda item.

Owners present at the annual general meeting will decide the contents of the agenda by a majority vote at the beginning of the annual general meeting.

Coming Very Soon - Our Updated Website

In the past months one member of the Board has worked very hard with our website provider to update the Riverside RV Village website after being unable to access, update or sustain the previous site in the manner in which it was designed. Very shortly, perhaps by this coming weekend, our new site will be available.

It will still be accessed by going to www.riversidervillage.com (There may be a few days in which neither the old or new site will be able to be accessed as the transfer takes place.)

What will you see:

- The home page has been refreshed and gives easy access to information by owners.
- The "Learn More" button in the upper left of the home page will take you to our documents page.
- By clicking on the 3 lines in the top right corner you will see drop down tabs for: Home, Directors, Clubhouse, Owners Only, Downloads, Archives, AGM, Social Committee and Contact.
- The Clubhouse tab will be the go to tab for clubhouse bookings. This tab is still being worked on and owners will be updated as to when it is fully functional.
- New to our site is the Owners Only tab. This will contain files only owners need to see. Owners will be given a password to access this tab.
- Archives and AGM will be broken down by year so that only the current year will be shown on the main page of each tab.
- The Contact tab has park contact information plus the ability to send an email directly to the Board of Directors.
- Contact information is also shown on the bottom of each page plus all of the tabs listed above.
- There are two quick links: one for Weather and one for the Town of Sundre.

We are excited to be able to get our website back in operation.
